## ST. PHILIP COMMUNITY GARDEN GROWING IN GRACE

In a nook on the back side of the Fellowship Hall, the St. Philip garden continues to produce a bounty of vegetables to share with neighbors in need. In 2023, our two raised beds produced about 350 pounds of produce, all donated to the CCSC Emergency Services food pantry. This total included 200 pounds of tomatoes, eggplants, cucumbers, peppers, lettuces, and greens grown in the spring and summer, and almost 150 pounds of sweet potatoes harvested in October and November. The brutal summer heat was especially hard on the tomatoes, which reduced their productivity, but the garden did pretty well, all things considered. Many thanks to the dedicated volunteers, whose planting, caring, weeding, harvesting, and delivering continue to make this mission project flourish, with God's help. Our donations add fresh vegetables to the packages of staple non-perishable items that CCSC Emergency Services clients receive.

We will be planting the garden for spring/summer 2024 on **Saturday, March 9**, beginning at 9:30 a.m. Please join in for some "garden therapy" and fellowship. New volunteers are always welcome—no green thumb required! You can just show up on **March 9**. Would you like to know more about the St. Philip garden? Join us for worship each Wednesday at noon as we journey through the season of Lent. Guest preachers from across the area will lead us. Lunch will be available in the Gathering Area at 12:30 p.m. Here's the schedule for this year's series:

**March 6:** Kevin Keaton, Board of Pensions regional representative;

**March 13:** Becky Downs, pastor of John Knox Presbyterian Church;

**March 20:** Jim Dement, former St. Philip member and interim pastor in El Campo.

### E-VOTIONS

Again this Lent, John Wurster offers daily e-votions. These brief biblical reflections are sent by e-mail each morning. To join the e-votions list, send a note to [john@sainthphilip.net](mailto:john@sainthphilip.net). Those subscribed for last year continue on the list for 2024.

### LENTEN LECTIO DIVINA PRAYER GROUP

The ancient desert mystics believed that scripture was like a love letter written to us by God, and the meditative scriptural reflection known as *Lectio Divina* ("divine reading") assumes that God speaks to us intimately, God is already praying in us, and we'll experience a profound encounter with the heart of God, rather than an intellectual study of scripture. Keaton will guide the group through the four cycles of Lectio (read, reflect, respond, rest) every Monday morning at 9:00-9:20 a.m. for the season of Lent. To receive the Zoom link sent early Monday mornings, email Keaton at: [keaton@saintphilip.net](mailto:keaton@saintphilip.net)

### HOLY WEEK MUSICAL MEDITATION

As part of our Holy Week calendar, St. Philip Presbyterian will be hosting an afternoon "Musical Meditation" on Holy Saturday, **March 30** at 5 p.m. This year's theme is "Godly Sorrow" (with reference to 2 Corinthians 7:10) featuring soprano Julia Fox and violist Yvonne Smith, alongside St. Philip organist, Matthew Dirst. Major works will include "Miroir de peine" by Henrik Andriessen for soprano and organ, Hindemith's "Trauermusik" for viola and organ, music from BWV 18 by Bach, and other selections. A free-will offering will be taken.

## MISSION COMMITTEE

### EASTER 2024 DONATION DRIVE AND VOLUNTEER OPPORTUNITY

Join the St. Philip March 2024 Easter mission project by donating items to fill Easter boxes benefiting The Women's Home residents. St. Philip members can also make a monetary donation and the mission committee will purchase the items still needed at the end of the collection period to fill the boxes. Drop off your donated items in the Gathering Area or Church Office collection boxes through **March 17**.

All members are also invited to assemble the 60 boxes on Saturday, **March 23** at 10 a.m. in the church mission room. This is a fun service project for all ages and an opportunity for the St. Philip community to come together in service during the Easter holiday! Sign up for the Easter box assembly in the Gathering area on Sundays or email [mission@saintphilip.net](mailto:mission@saintphilip.net) to RSVP your attendance. You can drop off any amount you wish to give of any item on the supplies list. Please no used items, only new unopened donations. The Women's Home builds communities that strengthen women and supports families as they reclaim their stability. The Women's Home operates two affordable housing communities and a collaborative community service center that help families thrive. The service center offers primary and behavioral health care, youth development services, adult education, workforce development training, basic needs assistance, and other wrap-around support services.

The Women's Home employs a unique WholeLife® Model of care approach, and they help women create and achieve goals to improve their well-being in six areas - emotional, financial, physical, social, spiritual, and vocational. The Women's Home goal is for clients to acquire and maintain the four pillars of personal independence -

mental stability, sobriety, a sustaining source of income and a safe, permanent home. Of the clients that completed the intensive phase, 96% established mental stability, 100% maintained sobriety, and 6% chose to continue their recovery journey in the supportive treatment phase. Among the clients who participated in the supportive phase for at least six months or longer, 100% maintained mental stability, 74% maintained sobriety, 100% left with income and 53% obtained permanent housing.

St. Philip helps with the cost of recovery supplies for women participating in the Residential Treatment Program. In 2023, The Women's Home helped 104 women reclaim their lives who were homeless due to mental health and substance use disorders. The Residential Treatment Program offers two levels of treatment for women at different stages of recovery, an 89-day Intensive Program and longer-term Supportive Program (6-18 months). This year, the Women's Home provided residential behavioral health treatment and wrap-around services to 38 clients in the Intensive Treatment Phase and 80 clients in the Supportive Treatment Phase.

### SEARCH SPEAKER SERIES

St. Philip's mission partner SEARCH is holding their next Speaker Series Webinar titled Housing and Homelessness on Thursday, **March 21** at 12 PM CST. St. Philip members can register here at [Meeting Registration - Zoom](#) or email Hannah Mannion at [hmannon@searchhomeless.org](mailto:hmannon@searchhomeless.org), or call 832-232-8715.

### PLANT-IT-FORWARD

St. Philip members are invited to volunteer with mission partner Plant-It Forward's farmers on Saturday, **April 13** at 10595 Fondren Rd., Houston, TX 77096 from 12:00 p.m. - 2:00 p.m. Volunteers will help farmers with weeding and mulching. Please bring water and wear hats, long sleeves and pants, sunscreen, and close-toed shoes. Sign up in the Gathering Area at the Mission table on Sundays through **April 7** or email Angelina Fonseca-Grewal at [mission@saintphilip.net](mailto:mission@saintphilip.net) if you can attend. Rides are available, please let Angelina know. More information about the event can be found at: [Field Notes - Plant It Forward Farms](#)

Plant It Forward empowers refugees to develop sustainable farming businesses and produce fresh, healthy food for our community. Plant It Forward also collaborates with the Houston Food Bank and in 2023, they provided 1,800 servings of fresh produce to more than 100 families. Plant It Forward was able to launch the Land Access Initiative in 2023, connecting new farmers with value-aligned landowners to increase the number of family-owned farms in the Houston region. St. Philip mission grants have supported three program areas of Enterprise/Food Hub, Urban Farming, and Farmer Education since 2018. Also, St. Philip grant funding helped farmers with their water bills dur-

ing the 2023 summer drought, paid for infrastructure improvements on the farms by installing cold storage units which doubled farmers' weekly sales capacity, and the installation of four on-farm wash & pack structures that improved food safety and working conditions.

### OPERATION IMPACT DELIVERY MISSION PARTNER CHURCH WIDE SERVICE DAY

**SAVE THE DATE!** Join the St. Philip mission partner Interfaith Ministries for their Operation Impact event to deliver hurricane supply boxes and bottled water cases to the Meals on Wheels seniors at their homes. Save the dates of Saturday, **June 1** and Saturday, **June 8**. St. Philip mission committee and church members will meet at the church to divide the hurricane supply boxes and water, then drive in teams of 2 or 3 in each car to the addresses Interfaith Ministries provides. If you are not traveling to Mo-Ranch for the retreat the weekend of **June 1**, this is a great service opportunity you can participate in benefiting the homebound seniors in our community. **June 1** distribution will be in Harris County and **June 8** distribution will be in Galveston County mainland, not on the island. Sign up will begin in April. Angelina Fonseca-Grewal can drive 4 volunteers, but other drivers will be needed.

**PROJECT CURE**—January's communion offering raised \$1,025 for Project CURE. Thank you, St. Philip congregation, for your generous support. Project Cure provides essential medical equipment and supplies to healthcare facilities in developing countries. This Mission Partner is in urgent need of funding to ship donated supplies for emergency surgeries and maternal care in Malawi, a country in economic crisis. You can find out more about Project C.U.R.E. at [www.projectcure.org](http://www.projectcure.org).

**ST. PHILIPPIANS DISTRIBUTE FRESH PRODUCE AT CCSC FOOD FAIR**—On Saturday, February 24, eleven St. Philip members met at the Gethsemane Campus of St. Luke's United Methodist Church at the CCSC Southwest Food Pantry to distribute fresh fruits and vegetables to CCSC clients. The long line formed at before 9:00 a.m. but the Food Fair did not begin until 10:00 a.m. Volunteers set up the tables once the Houston Food Bank refrigerated food truck arrived. St. Philippians bagged cantaloupe, apples and pears, and passed out the bags as families walked through the line. Members also worked inside the food pantry directing clients that entered the building, and other members helped families carry the heavy produce to their cars. Some CCSC clients arrived by city bus and had to manage carrying their heavy shopping bags or

boxes back home on the bus, while other clients brought shopping carts or wagons to haul the fresh produce home. In total, 51 volunteers from other churches and schools assisted with the Food Fair and hundreds of CCSC clients were satisfied with fresh food which would have cost over \$30 or more in the grocery store. Thank you for the volunteers that devoted their time, muscle and positive energy toward serving the Houston community. The love of Jesus and assurance of the Lord was felt by all that attended, and St. Philip members out in the community demonstrates our love for our fellow neighbors and Jesus Christ. The February volunteer event was a great success and we hope the St. Philip congregation will make it out to the different volunteer opportunities offered each month in 2024.

**LOVING HOUSTON LUNCH AND LEARN**—On February 22, St. Philip mission partner Loving Houston hosted a Lunch and Learn with keynote speaker, Pastor W. Reid Squires, sharing what his congregation at Sojourn Montrose is doing inside Lanier Middle School. Sojourn Montrose congregation members are partnered with a middle school student and mentor the student during the school year. Pastor Squires posed the question "Besides backpacks, school supplies and uniforms, how can a church develop deeper, long-term relationships with their schools? Pastor Squires challenged churches to be present, spend time in schools, be like Jesus so the staff and students encounter Jesus. Mentors from the church meet with students for one hour sessions, but don't talk about faith unless the students ask. Mentors listen to students, providing a safe space in the presence of God. Church members walk into places of need, show up, and keep being faithful as God's ambassadors.

Loving Houston advances community transformation in the Greater Houston area by helping churches serve local schools. Loving Houston utilizes a Community Transformation Model by providing Relief, Reconciliation and Development to schools. Angelina Fonseca-Grewal represented St. Philip at the Lunch and Learn and met with local community leaders, church leaders, Houston Independent School District Wrap-Around Services employees, and Loving Houston staff to brainstorm how churches can become more involved with their partner schools. Teachers are experiencing increased pressure and leaving the profession in record numbers. Teachers and students need support and encouragement from local churches more than ever before. St. Philip has been partnered with Liberty High School for many years. The St. Philip congregation has supported teachers and students in the past by providing a breakfast for teachers during in-service training before the school year begins, cooking at the St. Philip kitchen and serving a Thanksgiving meal to teachers, staff, students and their families, and purchased gifts cards for graduates. In 2024, St. Philip looks forward to showing the love of Jesus to the students, faculty and staff of Liberty High School with different outreach opportunities.

**AUSTIN COLLEGE**—February's communion offering raised \$1,290 which Austin College will use toward its Religious Life Program. Thank you, St. Philip congregation, for your generous support. Lee Ardell gave a joyful Minute For Mission about the vital religious life culture for Austin College students, faculty and staff that herself, Keatan and all our alumni of Austin College cherished during their time in college. Austin College cultivates a culture of service through their campus wide annual events including First We Serve, JanServe, GreenServe, and Great Day of Service, resulting in over 16,000 service hours to local and regional communities. The ACTivators work with the college chaplain to plan and lead the regional PC (USA) youth ministry events, and in 2023, they provided church school and worship leadership within local congregations of Grace Presbytery rather than the usual retreat setting. Austin College just announced the Westminster Scholarship program will provide full tuition scholarships to any and all admitted student members of the PC(USA) beginning in 2024-2025 academic year thanks to a recent \$20,000,000 gift to the College.

In order to continue our longstanding support of the Brookwood Community, we have kept in place our customary order for Easter lilies. They will be delivered to St. Philip to adorn our Sanctuary for our Easter service.

We invite you to contribute to our flower fund and dedicate a lily to someone this Easter. Donations may be made for any amount either through our website—[saintphilip.net](http://saintphilip.net), choosing the Flowers/Holiday fund option from the menu; or by sending a check to the Church Office. If donating online where the memo line is limited in the number of characters, please e-mail Lorrie Castle ([lorrie@saintphilip.net](mailto:lorrie@saintphilip.net)) with your name and the person(s) being honored and/or remembered. Similar information should be included with mailed checks. Mailed dedications should arrive by **March 25**. Thanks for your help in continuing this holiday tradition!

The list of donors and memorials/honors will appear in the bulletin and the Philip-Eye following Easter.

Are you interested in donating flowers to decorate the chancel on a Sunday morning? The 2024 flower calendar is available online at [saintphilip.net](http://saintphilip.net), go to the calendar and look for the icon you see here or click [here](#). We have several open dates throughout the year.

## WELCOMING & MEMBERSHIP COMMITTEE

Please welcome a few of our newest members to St. Philip.

**Charles (“Charlie”) Tolbert** is Professor Emeritus of Sociology at Baylor University. Upon retirement, he and his wife Tricia moved to Houston. Southern Baptist roots, but Charlie has been a Presbyterian for nearly 40 years in three different states, First Presbyterian (Tallahassee), University Presbyterian (Baton Rouge), and Central Presbyterian (Waco). He has served in church as an ordained elder.

**Tricia Tolbert** is a retired educator, spending her career as a faculty member and administrator at FSU, LSU, and finally Baylor University. Originally from Arkansas, she attended Baylor (where she met Charlie, her spouse of 51 years) and the University of Georgia. Together they have two children and four grandchildren. Rachel Kimbro, a St. Philip member, is their daughter. Tricia was ordained as an elder at First Presbyterian of Tallahassee and also served on the Session at University Presbyterian in Baton Rouge and Central Presbyterian in Waco. Tricia enjoys traveling, quilting, knitting, and reading.

## Eric and Jennifer Brown—

The first thing to know about Jennifer and Eric is that they sit in front of Jane Larkin in the Sanctuary. Eric and Jennifer share two grown sons, who live in Dallas and Arkansas. Eric also has a daughter from a previous marriage who lives in New Orleans. They met at Conoco. Eric is an engineer by education and Jennifer's career was in both medical and business records management. They raised their family in Katy, after which they moved to Fulshear. They transferred their faith and church membership to the Presbyterian Church, specifically St. Philip, after they began to seek a denomination that reflected their own values.
