It is a St Philip tradition to gather funds to assist the housekeeping staff at Mo-Ranch with their work. Each year during the retreat, we present this “Mo Shower” gift as a tangible sign of the congregation’s care and support for the ranch.

This year’s “Mo-Shower” will help Mo-Ranch build a new laundry services facility.

The new building will provide space for additional machines to make caring for the ranch’s laundry needs more efficient and more manageable for the staff. The new building will have:

- closer proximity to the hotel-style rooms
- more storage for fresh linens, allowing for efficient change-over of rooms
- in-door break room accommodations (currently, staff have no air-conditioning in the laundry facility and so sit outside for breaks and lunch)

Please consider donating to this gift in support of Mo-Ranch. Anyone may donate to the fund by going to the saintphilip.net homepage and selecting *Make a Contribution*, then selecting *MO SHOWER / Gifts* as the fund. Members can also access this page on the MyStPhilip app (also linked to from the homepage). You may also contribute by writing a check with *MO Shower* in the memo line and placing it in the offering plate or mailing it to the church office.

MAY

ST. PHILIP COMMUNION OFFERING

Liberty High School
Many Cultures, Many Minds, One Goal...Academic Success

PENTECOST

SPECIAL OFFERINGS

CHILDREN AT RISK • YOUTH • YOUNG ADULTS

During the month of May, St. Philip also collects a special Pentecost Offering which helps the church encourage, develop, and support its young people, and also addresses the needs of at-risk children. 40% of the Pentecost offering collected during the month of May will be retained for Liberty High School graduating senior activities to make an impact in the lives of young people within our own Houston community. The remaining 60% is used to support children-at-risk, youth, and young adults through ministries of the Presbyterian Mission Agency PC(USA).

investing in our greatest resource

Help youth *begin* life with a solid foundation of faith.

Psalm 71 testifies that a foundation of faith established during childhood helps ensure lifelong faith and service. The patterns and lessons established during these formative years continue to bear fruit throughout a person's life. By receiving the Pentecost Offering, you are nurturing the faith of those who are the church to come — children, youth, and young adults.

A CALL FOR NOMINATIONS & A CALL TO PRAY

The congregation is being asked to submit recommendations for persons to serve as Ruling Elders (Session), Trustees, and on the Central Mission Endowment Council.

We ask that the congregation wrap this process in prayer. Take some time to pray over the names in the church directory. Who do you believe exhibits spiritual leadership to take St. Philip to the next step? Who has a contagious passion for God? Who might enlarge our vision, empower our members, and embrace a bit of risk? How about you?

Thank you for your help! Your 2024 Nominating Committee:

Laura Burgess (chair), Selena Brinegar, Jane Lee, Mickey Meyers, Dick Nunn, and Gay Van Osdall.

To suggest a candidate, please provide the candidate's name and your name in case we have questions.

Self-nominations are welcome. In making recommendations, please elaborate on personal qualities, involvement in our church, and why you consider this person a good candidate for church leadership. Please use a separate form for each recommendation. If you are recommending a Ruling Elder, please indicate the ministry area(s) you think they would best serve: Education; Finance; Mission; Peacemaking & Social Justice; Personnel; Property; Stewardship; Welcome & Membership; or Worship & Music.

CHURCH & SOCIETY -Room 201—Join us from **9:30 a.m.—10:40 a.m.** with presentations in person and by Zoom. **May 12**—Few people today know that centuries ago, several churches in Europe installed into their stone floors lines to mark the passage of the sun through the course of a year. Why was that done? And why did that practice decline? This presentation will answer those questions, revealing how Christianity and science have at times been deeply intertwined and mutually supportive. It will also explain the theological assumptions underlying those lines in sanctuary floors, as well as the enduring Christian meanings discerned in the regular course of the sun. - Presented by Bruce Yaeger - Teacher and lecturer at churches for thirty-five years and author of *Wrestling Brothers: Rethinking Religion-Science Relationships*, and *Spirited Bodies Beneath the Stars: Science & Spirituality Together*. **May 19** - The Big Thicket National Preserve in East Texas - A Convergence of Ecosystems - Life of all types abounds in the Big Thicket. This national preserve protects the incredible diversity of life found where multiple habitats meet in southeast Texas. Hiking trails and waterways meander through nine different ecosystems, from longleaf pine forests to cypress-lined bayous. It is a place of discovery, a place to wander and explore, a place to marvel at the richness of nature. Presented by Sandra Ramos - Texas Coastal Program Manager for the National Parks Conservation Association and National Park Geek Ambassador .Email Mickey Meyers if you would like join via zoom any of the classes: churchsociety_stphilip@comcast.net.

Children return to join the congregation in the first few pews on the lectern side of the church for the last hymn. The Children's Chapel is held every 2nd and 4th Sunday. MISSION COMMITTEE

PLANT IT FORWARD FARM DAY

On Saturday, April 13, Cathy Patterson, Paul Arlinghaus, Jenny Towns and Angelina Fonseca-Grewal joined a large group of about 25 volunteers to move bags of leaves with wheelbarrows to the farm rows of vegetables and surround the rows with the leaves. This natural mulch helps the vegetables grow by nourishing the soil. Volunteers also helped mission partner Plant It Forward by moving the trash bags filled with leaves closer to the farm field. These large, heavy bags are dumped on the Plant It Forward farm by landscaping crews that clean residents' yards of the leaves. Cathy Patterson and Angelina Fonseca-Grewal spoke with one of the farmers from the Democratic Republic of Congo. She sells the vegetables at local farmers' markets. The Fondren farm location has a total of three different farmers growing vegetables on the plot of land. Future community service days will resume in October 2024. Dates and locations of these community service days are posted on their website at https://plantitforward.farm/fieldnotes/#_events. St. Philip members are invited to serve on the farms this fall.

Moran Vision Care Program. The fundraising dinner was hosted by KHOU News presenter Shern-Min Chow and the community honoree was Dr. Tom Pace, Senior Pastor of St. Luke's United Methodist Church. Throughout the month of June 2024, St. Philip mission committee will be hosting a non-perishable food drive to supplement the fresh vegetables

that our church community garden provides to the CCSC pantry. There is a greater need during the summer months from families with children living at home because they are not eating breakfast and lunch at school. Thank you to the St. Philip congregation for supporting CCSC's impact in the Houston community.

PCHAS FUNDRAISING LUNCHEON HIGHLIGHTS PROGRAMS' LIFE CHANGING IMPACT

On Thursday, April 18, Olga and Tom Lewis, Sue Howard, Jane Larkin, John Wurster, Angelina Fonseca-Grewal, Diana Weiss, and table hostess Mary McGuire, attended the Presbyterian Children's Homes and Services Spring Luncheon. MEDICAL BENEVOLENCE FOUNDATION PRESENTS PLAQUE TO ST. PHILIP RECOGNIZING 30 YEAR PARTNERSHIP

On Sunday, April 21, Medical Benevolence Foundation

(MBF) Chief Medical Officer Dr. Douglas Lungu and Development Officer for the West Region Tina Pugal presented MBF's impact and goals for the next decade. Over the past few decades, there are

fewer missionaries serving in the field, but MBF is partnering with organizations like Project Cure, USAID and Samaritan Purse to bring in only the needed medical supplies hospitals and clinics are lacking. Each facility must have a fully equipped theatre and a nursing group to perform surgeries. In Malawi there are only 70 - 100 practicing surgeons for 20 million people, so MBF is leveraging the medical properties in the rural areas, so that clinics work together and are sustainable as a support network. MBF is teaching local medical providers how to implement a sustainable business model while providing the same quality of care to all. As well as providing medical care, the network of clinics exists as a ministry of the church, staffed with a spiritual director at the hospitals and clinics. Dr. Lungu also shared with us how five faculty members came from different countries to establish the surgical residency program in Malawi. Dr. Beth Stuebing Adams has a Facebook page where you can follow her work and teaching at the surgical residency program in Lilongwe, Malawi. For the future, MBF wants to grow the hospital networks in 10 other sub-Saharan African countries by working with established churches on the ground. Overall, the goal of MBF is to train locals in nursing and surgery so that the population becomes self-

sufficient, and children can see their parents achieving medical professions so that one day the children can go to school and work in a similar or different field. At the end of the Sunday school class presentation, MBF presented the St. Philip congregation with a plaque recognizing the 30-year partnership St. Philip has had with MBF, contributing time and resources to furthering MBF's impact in Malawi, Haiti, and other countries. Thank you to the St. Philip congregation for supporting MBF with annual mission grants.

VOLUNTEERS HELP NEWSRING RAISE FUNDS FOR STUDENTS AT ART AUCTION

On May 1, volunteers Beth Atkinson and Diana Weiss set up the student artwork for the art auction held at Spring

Street Studios and volunteered during the event, benefitting mission partner NewSpring. During the silent auction, Mary McGuire sold raffle tickets. Angelina Fonseca-Grewal and Gage Grewal attended the art auction and spoke with students about their art and how they made it and what inspired them. St. Philip supports the Spring Branch area children who

attend the NewSpring after school and summer programs. NewSpring is working to shape the future of Houston by helping our youth build the competencies needed to thrive in the 21st century economy. Our program CREATES – Creating Real-life Experiences through Art, Technology, Entrepreneurship, and Scholarship – is led in the Spring Branch region of Houston, where NewSpring was founded and is currently based. NewSpring delivers a coherent set of programs for elementary, middle, and high school-aged students living in underserved communities where

resources and opportunities are limited. The sale of the artwork will fund events like field trips to NASA, Cullen Sculpture Garden, The Children's Museum Houston, and Rice University Mood Center for the Arts.

Getting to the Good Part: Weaving Community in Christ

Luke 10:38-42

A conference for women to come together, build relationships, worship and do fun activities

Keynote Speaker:

The Rev. Keatan King

June 7-9

As people of faith, we have opportunities to mark these liminal spaces by recognizing that God is with us on the journey, giving us grace. We will spend the weekend reflecting on God's presence in all the times of our lives – and in the midst of singing, prayer, worship, keynotes, workshops, and rest, we will mark those times and places of grace in our lives.

Each year, hundreds of women from across the region gather together for the **Mo-Ranch Women's Conference**. Take a break from the busyness of life to recharge physically, mentally and spiritually. Conference activities include keynote presentations, worship, fellowship, recreation, free time and workshops.

- Create an inviting and safe environment for growth and renewal
- Hear God's word through inclusive and intentional worship
- Reach a diverse cross-section of women by culture, age and background
- Celebrate and be good stewards of God's creation
- Practice inclusiveness, radical hospitality and joyful fellowship
- Allow a place to reconnect with ourselves, God and each other

Mothers, daughters and granddaughters come together for a time of reunion and growth. Friendships that last a lifetime are made by women who would not have otherwise met. For more information and to register go to:
