#### MISSION OPPORTUNITY: DONATION DRIVE-THROUGH, SATURDAY, SEPTEMBER 18, 10 A.M. TO 12 NOON

You can help spread God's love in support of two mission efforts, the <u>Seafarers Christmas boxes</u> and the <u>CCSC</u> <u>Emergency Services Food Pantry</u>, in one convenient drivethrough event. Feel free to bring donations for one or both. Just have your bags in the back seat or back end, and volunteers will pick them up—no need to get out of your car. Blessings for being Mission-Minded!

#### 1) Seafarers Christmas Boxes

St. Philip has had a long relationship with our mission partner, the Seafarers Ministry at the Port of Houston. Thousands of seafarers from all over the world pass through the port every year; seafarers spend months at a time at sea, and each year at Christmas, St. Philip and other churches show our care for them by giving boxes of items that seafarers can use on their voyages. On **September 18**, we will collect items that will be packed into those Christmas boxes. (St. Philip will pack about 125 boxes this year.) Just drive through and drop off any of the items on the list.

If you are wondering what to contribute, items like hotel and sample sizes of toiletries you have on hand at home are always welcome. You also can't go wrong purchasing decks of cards, toothpaste, or work socks. Downsizing small gifts you might find around your home can also be donated, and we will add them to complete the boxes. We will attach small Christmas decorations to the tags we place in the boxes from "St. Philip Presbyterian Church in Houston".

We could use more shoe boxes; we would love plastic shoe boxes if you are so inclined, but cardboard ones are also fine.

#### 2) CCSC Emergency Services: Non-perishable Food

St. Philip has partnered with the Christian Community Service Center since it began 40 years ago. We continue to support their many services to the community, and in this drive-through we will collect food for the Food Pantry of their Emergency Services program, which has seen a large increase in clients seeking services over the last 15 months. Mission Committee members will deliver all donated items to CCSC. You are welcome to donate any of the items on the list.

#### BACK TO SCHOOL: AT ST. PHILIP AND BEYOND

The St. Philip Education Committee has been prayerfully considering the best way forward for faith formation activities in the fall. At this time, we are planning on a delayed start for in-person classes; we considered that it would be best to wait a few weeks for the school year to get settled as we continue to monitor local conditions and guidance from health officials. While there are ways to safely gather in-person, the committee noted the evolving situation in our community, and wishes to proceed with caution. We look forward with hope to a time when it will be safe and comfortable for us to gather, with hope that cooler weather in a couple of months may provide an opportunity to be outside as a church family. Let us pray for all the students, teachers and administrations navigating their way through the beginning of another school year. We pray for health and wellbeing, in the midst of learning and growth.

#### CHURCH & SOCIETY FALL 2021

## HAVING ANY DIFFICULT CONVERSATIONS THESE DAYS? THE PEACEMAKING AND SOCIAL JUSTICE COMMITTEE IS HERE TO HELP!

#### COMING SOON! SOCIAL JUSTICE STUDY GROUP

The bad news: It continues to be challenging for many of us to have conversations with others in our circles of family, friends, and colleagues when issues of social justice arise.

The good news: The church is an excellent place to have these kinds of conversations. There is even an emerging field of study in at least one Presbyterian seminary, public theology, which offers a degree program that engages the ways in which the church exists in and for the world.

The even better news: Very soon you will have the opportunity to read, study, and discuss with other St. Philipians (members and friends!) in a new book group dedicated to social justice topics (including, but not limited to, racism, civil rights, immigration, globalism, climate change, and gender identity).

The group, under the sponsorship of the Peacemaking and Social Justice Committee, will meet by Zoom the first Tuesday of every month, at 7:00 p.m. CT, beginning **October 5**. An advisory group from within the Committee has voted to select *Race in America: Christians Respond to the Crisis*, by Laura Cheifetz and David Maxwell, as the first book the group will read together.

If you think you would be interested in discussions around issues of our time, within the framework of the church, and guided by our faith, please email welcome@saintphilip.net and put "PSJ Study Group" in the subject line. As a recent editorial in *The Christian Century* noted, "Increasingly, people of faith are speaking out, also desiring a venue within the framework of a church setting, to discuss critical issues of our day." We hope you will be among that group – and our group!

#### WORSHIPPING AT ST. PHILIP

The long and winding road of Covid-19 has taken another serious turn in recent weeks with the surge of the Delta variant. Health officials stress the importance of masking for all of us - vaccinated and unvaccinated - when we gather indoors. While vaccination is the best tool we have to mitigate the spread, masking can also make a difference in promoting the health and well-being of all. Accordingly, we encourage everyone to be vaccinated when eligible, and we continue to require masks for Sunday services. If you'd prefer to worship with a smaller group, there is always more space in the Sanctuary at the 9:00 a.m. service. If staying at home feels like the best option, the 11:00 a.m. service continues to be live-streamed. We also live-stream a prayer service at 11:00 a.m. each Wednesday. All of our services can be viewed later in the archive section of our website.

The Session's Going Forward task force continues to monitor conditions and to seek a safe course for our life together at St. Philip.
