ST. PHILIP TO BECOME AN EARTH CARE CONGREGATION

At its March meeting, the St. Philip Session approved a proposal by the Peacemaking and Social Justice Committee to work toward becoming a certified Earth Care Congregation, a designation granted by the PC(USA) to congregations who meet sustainability goals set by the program. As the first step in the process, the Session affirmed the Earth Care Pledge (text printed below) which was signed by the Clerk.

Over the next nine months the committee will document our current efforts toward sustainability by completing the Earth Care Audit provided by the program. We will also be setting goals to increase our commitment to stewardship of God's creation.

As part of our celebration of Earth Day this Sunday, **April 22**, we will be sharing information about the PC(USA) Earth Care Program and audit, getting your ideas and feedback on St. Philip's Earth Care efforts, and signing up friends who would like to help with the effort.

In addition, you can join in the Earth Care effort at our paperless Earth Day services or join in the following activities:

9:30-10:30 a.m.

☞ Living Waters for the World: Clean Water for a Generation - Presented by David Fox in Church and Society Sunday School Class

9:30 a.m.-12:30 p.m.

☞ Equal Exchange Sale: Buy coffee, teas, chocolate, etc. that support sustainable farming.

☞ Seed and Seedling Giveaway/Exchange: Bring seeds/seedlings for others or take some home.

10:40-10:55 a.m. and 12:15-12:30 p.m.

☞ Garden Tours: Interested persons meet Cathy Patterson at the garden behind the Fellowship Hall

Earth Care Pledge

Peace and justice is God's plan for all creation. The earth and all creation are God's. God calls us to be careful, humble stewards of this earth, and to protect and restore it for its own sake, and for the future use and enjoyment of the human family. As God offers all people the special gift of peace through Jesus Christ, and through Christ reconciles all to God, we are called to deal justly with one another and the earth.

1. Our **worship** and discipleship will celebrate God's grace and glory in creation and declare that God calls us to cherish, protect and restore this earth.
2. In **education**, we will seek learning and teaching opportunities to know and understand the threats to God's creation and the damage already inflicted. We will encourage and support each other in finding ways of keeping and healing the creation in response to God's call to earth-keeping, justice and community.
3. Our **facilities** will be managed, maintained and upgraded in a manner that respects and cherishes all creation, human and non-human, while meeting equitably the needs of all people. In our buildings and on our grounds we will use energy efficiently, conserve resources, and share what we have in abundance so that God's holy creation will be sustainable for all life and future generations.
4. Our **outreach** will encourage public policy and community involvement that protects and restores the vulnerable and degraded earth as well as oppressed and neglected people. We will be mindful that our personal and collective actions can positively or negatively affect our neighborhood, region, nation and world. We will seek to achieve environmental justice through coalitions and ecumenical partnerships.

PRESBYTERIAN WOMEN

ST. PHILIP PW GIVE THANKS

St. Philip Presbyterian Women sincerely give thanks for all those who generously contributed to the recent celebration of the Birthday Offering. \$1,607.01 was collected and will be donated to three well-deserving, life-changing ministries. The ministries are:

✦ **Cottage Village, a Tiny-house Community for Low-income Residents Cottage Grove, OR**

Cottage Village will provide quality, affordable housing and a safe, structured social community for individuals and families with low or very low incomes.

✦ **Village of Grace Center for Physical and Spiritual Health Tegucigalpa, Honduras**

This Birthday Offering grant will make it possible for the Presbytery of Honduras to purchase the Village of Grace Center for Physical and Spiritual Health near Tegucigalpa. It will offer international hospitality for retreats, workshops and mission teams from the PC(USA), Solar Under the Sun and Living Waters for the World.

✦ **The Dwelling Place, Minneapolis and St. Paul, MN**

The Dwelling Place was established in 1998 to provide for the physical, emotional and spiritual needs of women and their children following their escape from a violent partner. Transitional housing, education, food, clothing, trauma-informed support services, programming and mentoring for women are all part of the mission of The Dwelling Place.

PW ONE-DAY RETREAT

The PW one-day Women's Retreat was held March 24 at St. Philip. Inspired chef, Chuck Johnson, catered yummy breakfast and lunch fare. After finishing breakfast, weather permitted our group to venture out-of-doors where Julia Fox led a light stretch class. *A LAUNCH INTO CRITICAL WOMEN'S HEALTH AND WELLNESS ISSUES* was the focus of this year's retreat. St. Philip member and oncologist Dr. Janet Macheledt, enlightened our group about "What is Cancer?" Following lunch, we reconvened to the Dining Room, where Mary Benson accompanied us on the piano as we sang *Loving Spirit*. Erica Smith, a spokesperson from Planned Parenthood then addressed our group about Public Health: "Women's Health Care in Texas." At the conclusion of Ms. Smith's presentation, Rev. Candice Richey Womak led the Worship and Communion service. At the conclusion of the worship service, several women met at Berryhill's for happy hour, dinner, and fellowship. Mary McGuire—photographer extraordinaire—snapped a great group picture of those who attended the Retreat. That photo can be seen in the April 3, 2018 edition of the Philip-Eye.

WORSHIP & MUSIC

SERVICE OF HEALING AND WHOLENESS

The next service of healing and wholeness will be **April 22**. In this service, we claim God's promise of well-being and seek God's healing touch in body, mind, and spirit. The service includes individual prayers with the laying-on of hands and anointing with oil, along with scripture readings and hymns. Those seeking healing in their own lives or in the lives of others are encouraged to attend, as well as those who feel called to pray with those who suffer. In gathering for this service, we acknowledge that all healing is from God and we affirm that in the midst of illness, pain, and suffering, our relationship with God in Christ sustains us.

BEYOND MISSION DAY!!!

Mission Day was a great success; and the Mission Committee would like to extend continuing opportunities to serve throughout the year. One of our largest Mission partners is CCSC, which provides food and services to at-risk families throughout the year. One way of helping these families ensure a successful education experience for their children is to make sure that they have the school supplies that they need for the year.

We hope you have a few hours to spare, as we are signing up fun volunteers for the Back-to-School Client Registration event!

When: Monday – Thursday, **May 7 – 10**, 2018

Where: Bellaire United Methodist Church, 4417 Bellaire Blvd.

SPPC VOLUNTEERS NEEDED FOR INTERFAITH MINISTRIES (IM) OPERATION IMPACT JUNE 2

In preparation of hurricane season, Interfaith Ministries (IM) Meals-On-Wheels program needs volunteer groups to deliver shelf-stable meals and bottled water to all of their 4,000 homebound seniors in our community. These seniors are unable to prepare for disasters due to mobility issues. IM wants to make sure their homebound seniors are prepared with a week's worth of food and clean water in cases drivers cannot reach them due to a weather event.

Please be part of "Team St. Philip!" We need about 60 volunteers for our St. Philip team to meet our goal of delivering to 120 seniors. On the morning of **June 2**, a team of volunteers will retrieve the supplies and bring them to St. Philip.

At that time, teams of volunteers will then deliver to our assigned seniors. You will deliver a five-pack of shelf stable meals (a small box) as well as a case of water.

Please look for an online signup at the church's website beginning **April 22**. You may also call the Rev. Greg Han at 713-533-4904 or email at ghan@img.org to sign up or to get more information. This is a one-time volunteer opportunity that the Mission Committee hopes you will respond to.

JOHN BLOW CLEARING HOUSE

The Clearing House is the place to bring all discards: books, clothing, household items, anything and everything, excluding furniture and computers. These items will be passed on to various agencies that are supported by our church. These include Christian Community Service Center, The Women's Home, SEARCH, and House of Tiny Treasures.

The Clearing House is located in the stand-alone brick building by the staff parking lot. It is open on Sundays from 9:00 a.m. to 12:30 p.m. During the week the key is available in the Front Office.

John Blow was a member of St. Philip many years ago, Janet Davis recalls. John may not have started the Clearing House, but he managed it for many years in a small shed. Once the classrooms were added, the current building went unused, so John and others proposed to use it for the Clearing House and soon handed the reins over to Mrs. Davis. Eventually, upon John's death the church named it the John Blow Clearing House.

Many, many thanks to Don & Janet Davis, Tom Lewis and Paul Pennington for their great help with the Clearing House these days.

In March, the congregation donated \$1,213.88 to the Women's Home. This will help many disadvantaged women get their lives back on track.

Additionally, during the Super Bowl of Caring, the First Presbyterian Church—

Pasadena youth collected \$1,100 and decided to dedicate that to our own Kids Against Hunger!

THE WOMEN'S HOME

Thank you to everyone who donated items and/or money to package fifty-five Easter boxes. Thank you to Sharon Webb for coordinating and delivering the boxes.

"We are grateful for your investment in our organization, which has been allocated to our WholeLife® program.. Your gift will help us reach out to our residents who are struggling to build a whole life, leaving behind crisis and chaos" wrote Julie Comiskey, Chief Development Officer of The Women's Home.

ST. PHILIP T-SHIRT ALERT!

If you ordered a t-shirt, they can be picked up in the church office. If you ordered a *Short Sleeve* LARGE t-shirt and received a *Long Sleeve* LARGE instead, please inform Anne Wilson and bring it to church so we can make the exchange.
