## MISSION OPPORTUNITY: DONATION DRIVE-THROUGH, SATURDAY, OCTOBER 16, 10 A.M. TO 12 NOON

Did you know that the second Sunday in October is World Homeless Day? In recognition of that, and to help address homelessness in our community, the Mission Committee invites you to a donation drive-through on **Saturday, October 16**, in support of the House of Tiny Treasures, which serves children experiencing homelessness.

House of Tiny Treasures (HTT) is part of SEARCH Homeless Services of Houston. It is a nationally accredited preschool program that provides developmentally focused early childhood education to children, aged 2 – 5 years, who have experienced homelessness. Nutritious meals, education, and intensive art, play, and speech therapy address students' needs and prepare them to be successful in kindergarten and beyond. By

investing in these at-risk children, we are striving to break the cycle of poverty and homelessness. While the children are being cared for, their parents are able to focus on getting back on their feet and regaining a stable, self-sufficient life for their family.

St. Philip has had a long relationship with SEARCH, and the children attending House of Tiny Treasures have for years received hand-made quilts lovingly created by the St. Philip Stitches.

On October 16 from 10:00 a.m. to 12:00 p.m. we will be collecting items for House of Tiny Treasures. Members of the Mission Committee will be available to unload your items. All you need to do is drive up to the collection station and pop open your trunk or door and the volunteers will do the rest. Blessings for being Mission-Minded!

Below is a list of items that are needed at this time.:

Diapers (sizes 4 and 5)      Baby wipes  
Size 2T-6T underwear (*for both genders*)      Toddler-sized socks  
Liquid laundry detergent (*brands like Purex for Baby, Seventh Generation Baby, Better Life Unscented*)  
Gallons of glue  
Individual watercolor sets  
Paintbrushes of assorted sizes  
Paint cups  
Modeling clay/Play-Doh  
Tissue paper (for art studio use)  
Gallons of assorted color, washable tempera paint

## CENTS-ABILITY OFFERING RECEIVED AT OCTOBER 16 DRIVE-THROUGH

St. Philip participates in the denomination's Cents-ability offering, to raise awareness – and funds – for the fight against hunger.

Cents-ability is a small first step in the battle against hunger and poverty. Participating congregations invite every member — of all ages — to contribute a few cents at every meal. This simple act is an expression of thanks for what we have received. It is also a commitment to share with others in response to Jesus' command "You give them something to eat." When St. Philip members and friends bring forward their offerings on communion Sunday, all those coins "make a joyful noise unto the Lord" as they are received for this dedicated purpose.

These small acts of faithfulness can add up: If only 100 people in a congregation contribute only two cents a meal, that makes \$180 a month and \$2,160 a year!

Cents-ability began in 1976 as "Two-Cents-A-Meal," a project of Presbyterian Women to involve individuals and families in a corporate response to world hunger. St. Philip's Cents-ability program benefits local hunger ministries as well as the national and international projects of the Presbyterian Hunger Program (PHP). Your gifts help alleviate hunger and eliminate its causes for people around the world. Learn where your gifts have been and will be at work by visiting [Presbyterian Mission Agency | What is Cents-ability? | National Hunger & Poverty](#). Your Cents-ability gifts make a difference! Thank you for giving generously.

## AMAZING PLACE

Amazing Place is celebrating 25 years of service to the community the first full week of October. And it just so happens that AP was awarded a grant to help with the expansion of its ministry to open an AP-West Campus in Katy during this last week of September. AP had already purchased property, was working to raise funds through the "Amazing Together" fundraising campaign, and the groundbreaking was to have been during fall/winter of 2019. That groundbreaking had to be postponed due to COVID. But we are excited that with this grant, which is tagged only for "expansion or new services", we will reach our groundbreaking and expansion goals sooner than we anticipated. The new groundbreaking date is slotted for fall/winter of 2022. If you have questions, please do not hesitate to reach out to John Wurster, Pam Kever, or AP's executive director, Tracy Brown. If you would like to see a rendering of the new campus, contact Pam and she can show you the plan.

## LORD OF THE STREETS

Covid has been a trying time for all of us, especially the homeless. Lord of the Streets (LOTS) has remained open during the entire pandemic. We modified services to provide one hot meal a day to the homeless. Currently, we are serving over 300 meals a day out our front door. We continue to provide a main address to over 1000 of our neighbors giving them access to social security, food stamps, IRS and other critical mail services. The medical clinic, vision clinic, food stamps and clothing and hygiene centers are all operating again. We've added showers too. All of this is being done with everyone's safety in mind.

As the infection rates are trending lower, we are hoping that members of your congregation might be willing to come out from sequestering and join us to help serve the most vulnerable. We have three different volunteer opportunities that have three different levels of interaction with our neighbors. All the opportunities are weekdays between 8 and noon (or part of that time).

- Kitchen help offers little to no interaction, but is a vital need in serving over 300 meals a day. It involves food prep and line service duties.
- Front door volunteers can interface with the neighbors - offering them a meal, checking for their mail, and answering questions (yes, we will train you on the answers). I find this to be the most fun and rewarding. You can also answer the phone, if you prefer that level of interaction.
- Clothing volunteers offer a range of interaction with neighbors. We currently work with neighbors to list their needs, or the volunteer can be sorting clothes and other useful organizational activities.

Masks are required for all LOTS staff, volunteers, service providers and neighbors. We encourage everyone to be vaccinated and offer vaccines through Harris Health every Tuesday at LOTS.

The best way to find out which opportunity best fits is to simply come down one morning and kick the tires and see what appeals to you.

Welcoming, Restoring, & Rebuilding lives through relationship-focused ministries with the homeless and formerly homeless.

(Janet Davis from St. Philip had coordinated groups to help in the kitchen on Sundays. That has been put on hold due to Covid, but individuals are welcome to help this mission partner.)

## BACK TO SCHOOL: AT ST. PHILIP AND BEYOND

The St. Philip Education Committee has been prayerfully considering the best way forward for faith formation activities in the fall. At this time, we are planning on a delayed start for in-person classes; we considered that it would be best to wait a few weeks for the school year to get settled as we continue to monitor local conditions and guidance from health officials. While there are ways to safely gather in-person, the committee noted the evolving situation in our community, and wishes to proceed with caution. We look forward with hope to a time when it will be safe and comfortable for us to gather, with hope that cooler weather in a couple of months may provide an opportunity to be outside as a church family. Let us pray for all the students, teachers, and administrators navigating their way through the beginning of another school year. We pray for health and wellbeing, in the midst of learning and growth.

## WELCOME PICNIC ON THE LAWN

Come celebrate our journey to St. Philip. Join the Fellowship and Stewardship Committees for an all-church picnic on Sunday, **October 17** at noon. Zoom attendees especially welcome. We'll meet safely outdoors, near the sanctuary, with tables under several tents or if you prefer you can bring your own lawn chair. Fried chicken will be provided, and we ask folks to bring a side dish.

If your last name begins with:

- A - G - Salad
- H - R - Side dish
- S - Z - Dessert

If attending worship prior to the picnic, please feel free to wear casual outdoor attire.

The picnic is free, but we ask that you RSVP in order to help us determine the amount of chicken to provide. Please RSVP by calling the Church Office (713-622-4807) or sending an email with "Welcome Picnic" in the subject line to [welcome@saintphilip.net](mailto:welcome@saintphilip.net).

Please let us know:

- **how many people** will be attending,
- if **childcare is requested**,
- if you have **mobility issues** and prefer to sit under a tent by the statues rather than the lawn.

We are looking forward to seeing everyone!

## REV. SALLY JOHNSON, AUTHOR

Friends of former Associate Pastor, the Rev. Sally Johnson, will be interested to know of her success in retirement as a published author. Now living in Little Rock she is to be congratulated on the completion of three historical novels dealing with the years 1918 - 1941. The novels follow the lives of people living in a small fictional town in northeast Arkansas. The first two, *After Yesterday*, *the Land of the Living* and *An Approaching Storm* are available on Amazon, the third will be out soon.

## ALTERNATIVE CHRISTMAS MARKET

Date: **November 14**

Time: 9:45-11:00 a.m. and 12:00-12:45 p.m.

Place: Fellowship Hall

Christmas is just around the corner, and the Mission Committee is providing an opportunity to shop for meaningful gifts for friends and family and support our Mission Partners at the same time.

Equal Exchange will be there with coffee, tea, chocolate, olive oils and more. CCSC will have a Wish List where you can donate toward items for their Jingle Bell Express event for kids in need. Long-time mission partners, like Project CURE, will be there, but so will some new ones. Have Shears Will Travel will give you the opportunity to donate a shampoo or haircut for someone in need.

The St. Philip Crafters will have a table, as will the St. Philip Stitchers. And by popular demand, Lynn Quinn's pickled green tomatoes will be back...they go quickly!

The market will be open before and after the 11:00 service on **November 14**. Cash, checks and credit cards accepted for payment. We invite you to come and be mission-minded as you shop!

Here's another way you can be part of the Market: Consider donating an auction item. This might be a gift basket, tickets to a cultural or athletic event, art or photography. If you are interested, please contact the church office (713-622-4807) or Hope Wilmarth by November 7: [hlwilmarth@hotmail.com](mailto:hlwilmarth@hotmail.com). Indicate the price and Mission Partner you would like to support.

## CONGRATULATIONS LILY!

Lily Frautschi has been accepted into the Hands of Hope Service Year at Casa de Esperanza in Houston. From June 2022-2023, Lily will commit for one year to live and work with vulnerable children in the Residential Program's agency foster homes. Responsibilities include daily care of the children, household management, and the coordination of medical appointments and therapy sessions. Almost all children arrive at Casa de Esperanza having experienced trauma or neglect in their short lives. Their need for safety, stability, and reassurance is immediate and often intense. Lily hopes to use the skills learned in this program for pursuing further study in law school, with the aim of legally representing children in foster care. Congratulations, Lily!
