## TO PLANT A GARDEN IS TO BELIEVE IN TOMORROW

While vegetable gardening apparently became a “thing” in this past pandemic year, St. Philip’s vegetable garden has been going strong since 2014. We enjoyed a special “garden blessing” last month, thanks to the Peacemaking and Social Justice Committee, which conceived of the garden idea and has funded it since its inception.

Faithful volunteers tended and harvested the garden all last year, even while we were not meeting for worship and we all stayed socially distant. The little raised beds on the back side of the fellowship hall yielded about **260 pounds** of produce during 2020, all donated to CCSC.

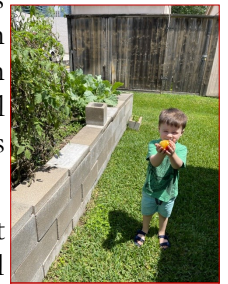

The deep freeze in February 2021 fortunately did not harm the garden, which was completely fallow at that point. In fact, the freeze did us a favor by killing off weeds! Sadly, though, the citrus trees the garden team planted about five years ago fell victim to the cold. They will eventually be replaced, likely with some more cold-hardy varieties.

On a morning in mid-March, a small group gathered at the garden for planting and fellowship, and now everything is growing vigorously. Over 65 pounds of collard greens, lettuce, peppers, beans, and eggplant, along with a few tomatoes and cucumbers, have been harvested and delivered to the CCSC food pantry, between late April and the end of May. The tomatoes and cucumbers have only just started to ripen, but they will be coming thick and fast in June.

As we begin to return to regular worship on the St. Philip campus, consider going around back and checking out the garden. You’ll find lots of vegetables, a few weeds, and also a small patch of flowers and milkweed plants. The garden is a living demonstration of God’s good creation, and it also gives our congregation an opportunity to share our bounty with neighbors in need.

The garden group welcomes volunteers, and we would love to see some new faces. If you have some spare time to help harvest vegetables and deliver them to CCSC this summer, please contact the church office or Cathy Patterson. There will also be opportunities in the fall for planting winter veggies and harvesting sweet potatoes. Green thumbs not required!

## EARTH CARE SURVEY RESULTS

We appreciate everyone who responded to the St. Philip Earth Care Survey in April and May. Additional thanks go to Chuck Seidel, for developing the survey content, and Bonnie Moore, who managed the online survey.

Seventy-three St. Philipians responded to the survey. The Peacemaking and Social Justice Committee and the Earth Care Team will be using the survey response to direct our work for the next 24 months.

The top three affirmative (agree or strongly agree) responses were:

- ☼ “I believe humans contribute to rising atmospheric carbon dioxide levels.” 96% - 4% were neutral about this statement.
- ☼ “I want to learn more about how I can reduce my carbon footprint.” 89% - 10% were neutral and 1% disagreed.
- ☼ “More trees should be planted on the St. Philip campus.” 81% - 19% were neutral.

In response to these interests, the Earth Care Team will develop a series of articles about reducing your carbon footprint. If you would like to receive them in your inbox, please send an email to [Earthcare@saintphilip.net](mailto:Earthcare@saintphilip.net) with Carbon Footprint in the subject line. Other venues for learning about your carbon footprint may be developed in the future.

In addition, the Earth Care Team will contact the Property Committee for a discussion about adding trees on campus in the near future.

While the survey was out, the Property Committee entered into a three-year contract with TXU Energy to purchase electricity. The contract starts August 3 and the contract is for 100% renewable energy, which can be a combination of wind and solar -- whatever is the better source, at a slightly lower rate than our current non-green contract. In the survey 65% of responders affirmed that our contract should be from renewable sources even if it costs a few cents more. We thank the Property Committee for thinking proactively. 🌍

In addition, 72% agreed that “More solar panels should be installed on the church buildings.” This project would replace some of the green energy St. Philip would be taking from the grid. The Earth Care Team will work with the Property Committee to develop a plan for this project.

Since transportation is one of the big emitters of carbon dioxide, some members of the Earth Care team have been

discussing the imminent transition to electric vehicles (EVs) and exploring actions St. Philip might take to raise its visibility in this area. In the survey, four members responded that they own EVs and seven more responded that they will buy an EV in the next year. Although the great majority (75%) will not be buying an EV this year, 47% affirmed that they were interested in learning more about EVs.

In the free response portion of the survey, the largest number of responses related to recycling. One of the significant 2020 accomplishments of the Earth Care Team was the Session's passage of the [Ecological Food Service Policy](#). As we begin the post-pandemic phase of our congregational life, we will begin a phased implementation of this policy.

Additional comments related to clean water, composting, ecological education, native plants, permeable pavement, political action, population growth, protecting birds and insects, and the complexities of calculating carbon footprints especially as related to manufacturing. All of these will be included in ongoing discussions about our stewardship of God's creation.

Finally, 23 members agreed that they were interested in joining an environmental action group. Four of those respondents left their names at the end of the survey. Opportunities at St. Philip include being a member of the Earth Care team or working on a special project. Opportunities outside St. Philip can be part of ongoing discussions. Please let us know your interests by sending an email to [Earthcare@saintphilip.net](mailto:Earthcare@saintphilip.net) with the subject Earth Care.

## SESSION HIGHLIGHTS

May 2021

Stated Session Meeting via Zoom Teleconferencing – May 18, 2021

✦ Session approved the removal of Sarah Queen from the St. Philip roll upon her request since she has gone to another church.

### Committee and Council Actions:

- ✦ Peacemaking and Social Justice Committee has approved the formation of a Social Justice Study Group that would operate under the oversight of a Social Justice Study Group Advisory Committee, reporting to the Peacemaking and Social Justice Committee.
- ✦ Property Committee has signed a new electricity contract with TXU for a three-year term beginning on August 3, 2021. The new electricity contract is a green contract with a 100% of the purchased power being wind power. This is a welcome addition to the solar power being generated at St. Philip currently.

John A. Lemen, Clerk of Session

## A CALL FOR NOMINATIONS & A CALL TO PRAY

The congregation is being asked to submit nominations for elder. The new class of Elders will be installed in January of 2022.

We ask that the congregation wrap this process in prayer. Take some time to pray over the names in the church directory. Who do you believe exhibits spiritual leadership to take St. Philip to the next step? Who has a contagious passion for God? Who might enlarge our vision, empower our members, and embrace a bit of risk? How about you?

We invite your nominations by completing the forms that can be found on the page and on our website. By providing us with more information than just a name strengthens your nomination and helps us in this most important process.

In order to submit a candidate, it is requested that you provide the candidate's name and your name in case we have questions. Self-nominations are welcome. In making recommendations, please elaborate on personal qualities, involvement in our church, and why you consider this person a good candidate for church leadership. Forms can be found in this edition of the Philip-Eye or online.

If you are recommending a Ruling Elder, please indicate the ministry area(s) you think they would best serve: Education; Finance; Mission; Peacemaking & Social Justice; Personnel; Property; Stewardship; Welcome & Membership; or Worship & Music.

***Completed forms may be mailed to the Church Office or complete a form online at [saintphilip.net](http://saintphilip.net). The***

## WHO'S ZOOMING WHOM?

A few of the groups at St. Philip continue to meet during this time via Zoom and other video conference services—the session has had meetings, book club, church committees and Church and Society. We even have Sunday Coffee Hour. If you would like to participate in future meetings, please contact the appropriate group's leader.

**SUNDAY COFFEE HOUR**—Gather with fellow St. Philipians to talk about the sermons, hear about their week and what helped them get through the week. The Coffee Hour begins after the closing voluntary. Email Lorrie Castle at [lorrie@saintphilip.net](mailto:lorrie@saintphilip.net) to be added to the list.

**WOMEN'S MONTHLY BOOK CLUB**—This self-led, interactive group produces lively discussions and wonderful fellowship. Our next meeting is **June 10** at 7 p.m. when we will be discussing *The Book Woman of Troublesome Creek* by Kim Michelle Richardson. We are happy to gather again in person. We plan on meeting in the St. Philip Dining Room but will move to Fellowship Hall if necessary to maintain social distancing standards. Please let us know you will be joining by clicking on [RSVP](#). Feel free to bring your own snack and/or dinner. No alcohol is allowed at this event. If you have any questions or concerns please contact Nina Lambright or Sarah O'Dell at [sarah.odell6@gmail.com](mailto:sarah.odell6@gmail.com).

**MIDWEEK BIBLE STUDY WITH JOHN WURSTER**—A look via Zoom at the Bible readings for the coming Sunday meets on Wednesday at 9:30 a.m. or 3:30 p.m. Email John for details and to get on the list - [john@saintphilip.net](mailto:john@saintphilip.net)

**PRESBYTERIAN MEN'S WEEKLY FELLOWSHIP** Men of all ages are welcome to participate in this self-led group. The Men's Weekly Fellowship meets each Friday via Zoom at noon through **June 18** and then will be off for the summer. Please contact Gary Gardner at [ggardne148@aol.com](mailto:ggardne148@aol.com) if you would like to join or know the current material they are discussing.

**CHURCH & SOCIETY**—9:30 a.m. via Zoom—will resume on Rally Day, **September 12**.

Rev. Linda McCarty with Faith in Practice (our mission partner) in Guatemala sent a video message to St. Philip via Sharon Webb. You can view it by clicking on this [link](#).

## WORSHIP IN PERSON

### MIDWEEK PRAYER SERVICE

**Wednesdays at 11:00 a.m.** This service is live-streamed from the Sanctuary and also available for later viewing on our website.

### SUNDAY WORSHIP IN THE SANCTUARY

We will continue to have both services in the Sanctuary. Capacity is limited to provide for adequate distancing. Masks are required, and advanced registration is necessary at this [link](#). The 11:00 a.m. service will be live-streamed as usual. About 30 minutes in length, the 9:00 a.m. service will include the reading and proclamation of Scripture, sermon, along with the prayers of the people and organ voluntaries. The 11:00 a.m. service will include a fuller liturgy, as well as anthems from the staff singers in the choir loft and organ voluntaries. We continue to assess emerging guidance and current conditions in light of our situation at St. Philip as we seek the best course for our diverse congregation. If you have trouble with the registration or are not online, please call/text Lorrie Castle (832-262-1244).

The Session's Going Forward task force continues to monitor conditions and to seek a safe course for our life together at St. Philip.
